

CertainTeed
Bufftech®
Vinyl Fence Products

Top 10 Reasons to Choose Bufftech® Vinyl Fence Products

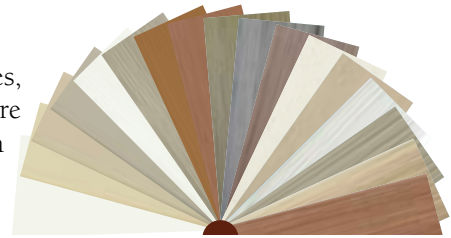

1. Broad Product Selection

Bufftech® offers a comprehensive line of high quality fence products for all of your fencing needs, including privacy, pool safety, ranch and decorative. Bufftech leads the vinyl fence industry with the widest array of styles, colors and textures, including realistic wood and stucco finishes. We also offer a full line of deck and railing products.

2. Cutting-edge Innovation

Bufftech lets you set yourself apart with innovative styles, colors and textures, including our exclusive CertaGrain® and Select Cedar authentic wood texture and CertaStucco™ traditional stucco texture. Choose from seven CertaGrain colors, including four blended colors, two CertaStucco colors and four smooth colors. Bufftech is the only fence brand to offer ColorLast™ fade protection for superior color retention on darker color products.

3. Building Code Compliant

Bufftech fence products meet stringent requirements for quality and performance. Our pool fence styles are designed to comply with most local pool codes. Bufftech fence styles featuring WindZone™ performance are Miami-Dade county approved for exceptional performance in high wind conditions (NOA # 06-1019.01; expires 3-13-2013). Our railing systems are listed with the ICC-ES as designated in report number ESR-1555 (Kingston), NER-605 (Oxford) and ATI CCRR-0115 (Panorama®).

4. Aluminum Frame Gate

Bufftech gates feature a heavy-duty internal aluminum frame for sturdy construction that's built to last and stainless steel fasteners to prevent corrosion. Our preassembled privacy gate offering has been expanded to handle a wider range of gate openings. Choose from unassembled gate kits or preassembled gates that ship ready to install. The aluminum post insert adds strength and simplifies installation.

5. Steel Reinforced Rails

Bufftech fence is engineered for outstanding strength and durability. Most of our products feature a steel reinforced bottom rail for a stronger, more rigid fence, which reduces the chances of sagging or bowing.

6. Industry-leading Customer Support

Bufftech offers the support you need to grow your business, including a customer service center staffed by seasoned professionals, comprehensive product installation and application training, a department dedicated to increasing commercial sales, plus a variety of sales and marketing tools and programs.

7. Comprehensive Marketing Support

Bufftech makes it easy to sell our products with a complete program of sales materials and marketing support, including a computer quote program that simplifies the estimating process. Bufftech WebSource is a one-stop online source for all your marketing needs — from literature and displays to image downloads and a customizable pricebook.

8. SureStart™ Warranty Protection

Bufftech fence products are backed by outstanding lifetime limited transferable warranty coverage, including our exclusive SureStart™ protection. SureStart covers warranted repair and replacement costs — including labor — for a period of five years after installation.

9. CertainTeed — An Industry Leader for More Than a Century

Bufftech fence is manufactured by CertainTeed Corporation, one of the nation's largest and most respected building products manufacturers. CertainTeed products are consistently ranked number one in brand recognition and brand use by architects, builders, contractors and remodelers.

10. CertainTeed Building Solutions®

Bufftech fence is a qualifying product under CertainTeed's Building Solutions® program, which is designed to help architects and builders simplify product decisions and enhance the quality of their projects. Participants are eligible for rebates on qualified CertainTeed product purchases, including fence, railing, decking, roofing, siding, insulation and foundations.
